

Manaslu Circuit Trek

The [Manaslu Circuit Trek](#) is an incredible journey around Mount Manaslu, Nepal's eighth-highest peak. With HimalayasOnFoot, you'll experience breathtaking mountain views, cultural immersion in remote villages, and diverse landscapes—from lush forests to high-altitude deserts.

This moderate-to-challenging trek takes 14-18 days and includes the iconic Larkya La Pass at 5,160 meters. The trek offers solitude and serenity, far from the crowded routes of Annapurna and Everest.

Why Choose HimalayasOnFoot?

- Expert guides and tailored itineraries
- Top-quality gear and 24/7 support
- Commitment to sustainable travel

The best time to trek is during spring (March-May) and autumn (September-November). Embark on this unforgettable adventure with HimalayasOnFoot and experience the untouched beauty of the Manaslu Circuit Trek.
